

# Epson TM-T88V-DT

## DATASHEET

**No. 1** EUROPE'S LEADING  
POS PRINTER  
MANUFACTURER\*

\*Source: Interconnection Consulting, 2010

Retailers can streamline operations, save space and reduce costs with the Epson TM-T88V-DT – a unique integrated terminal hub and thermal receipt printer designed to work with the web. Ideal for retailers moving from legacy systems to a full web environment, the TM-T88V-DT has a built-in controller that can seamlessly connect peripheral devices and work as a web server.

The TM-T88V-DT is equipped with an internal web server, Windows® Embedded POSReady and ePOS-Device, enabling retailers to take full advantage of web-based applications and thin client solutions. POS peripherals - such as scanners, magnetic stripe readers, customer displays, scales and EFT (electronic funds transfer) terminals – can be conveniently controlled through the web without the need for additional drivers, and connected using the printer's USB ports and VGA port.

Offering retailers significant cost savings, the TM-T88V-DT is a standalone, all-in-one solution that doesn't need a connection to a PC or POS terminal. This reduces the amount of hardware needed, cutting energy usage and reducing maintenance and servicing expenses. The printer's 'paper save' feature lower costs further.

The TM-T88V-DT provides full resilience, with local storage that can be used to back-up POS applications and databases - so if the network becomes disconnected, sales won't stop.

With a stylish, compact design that saves valuable counter space, the TM-T88V-DT is available in new tones of black or white to match the latest mobile devices.

## KEY FEATURES

- No PC or POS terminal needed
- Control peripherals from the web
- Less devices to maintain
- Processor and storage for back-up
- Stylish and space saving

## PRODUCT SPECIFICATIONS

<b>FONTS &amp; STYLES</b>	
Column capacity	Paper width 80mm, 56 / 42
<b>PAPER</b>	
Paper size	79.50 ± 0.50 (W) x dia 83.00 mm 57.50 ± 0.50 (W) x dia 83.00 mm
<b>INTERFACES</b>	
Ethernet interface (100 Base-TX / 10 Base-T), USB 2.0 Type A (6x), RS-232, VGA out, Stereo mini jack audio out, Drawer kick-out	
<b>DATA BUFFER</b>	
4kB or 45 Bytes	
<b>GENERAL</b>	
Product dimensions	145 x 279 x 183mm (Width x Depth x Height)
Product weight	3.2kg
Installation	horizontally
Humidity	Operation 10% - 90%, Storage 10% - 90%
Temperature	Operation 5°C - 45°C, Storage -10°C - 50°C
<b>OTHER FEATURES</b>	
Cutter	Partial Cut
Preloaded SW	WebPOS Config, ePOS-Device®
Sensors	Unit open sensor, Paper End Sensor, Paper Near End Sensor
<b>OPTIONS</b>	
Customer Display	DM-D110-103/113
Wireless LAN set	OT-WL01
<b>WARRANTY</b>	
12 months carry in	

## LOGISTICS

Dimensions Single Carton	400 x 250 x 278mm
Carton Weight	4.5kg

## WHAT'S IN THE BOX

- AC Adaptor
- Cable cover
- Main unit
- Paper roll spacer
- Thermal roll paper
